Dear Rolling Pin Cruise Reader,

It is my pleasure to welcome you to the first issue of *Rolling Pin Cruise*, a new publication from the editors of *Rolling Pin International* offering news and information on all facets of the rapidly expanding cruise industry.

With the launch of some 40 new vessels, including five *Carnival* "Fun Ships" between now and 2005, it is more important than ever to keep abreast of the latest developments within the constantly evolving travel marketplace.

I'm sure that *Rolling Pin Cruise* will continue *Rolling Pin International's* outstanding track record, with insightful reporting on cruising's latest trends, as well as the innovators who continue to shape our industry.

Please join me in wishing Simon Worgotter and his staff the best of luck with this exciting new project.

Sincerely,

Bob Dickinson
President - Carnival Cruise Lines
